**Every believer who wants to, can do something to spread the gospel.  
These two pages have suggestions we we hope you will prayerfully consider.**

## WHAT CAN I DO?

### 1. Pray

Pray that God would stir in many hearts to take action. Pray for open hearts to read the Word of God. Pray for 100,000 volunteers who will share the Word of God all over the UK. Pray for God to act and change hearts and minds as they read his Word. Pray for our efforts and finances, that God would bless them. Pray that the UK will be flooded with the Word of God, that many will come to faith, and that the culture will be transformed.

### 2. Order

Order Gospels of John to share! (We will ask for a donation to cover the costs, but we will even ship them to you, free of charge, if you ask us!). You can't share the Word of God, if you don't have anything to share. So order a supply of Gospels. They have attractive covers, and inside they explain how someone can invite Jesus into their heart. We have Gospels in English, French, Arabic, and Farsi. Check it out!

### 3. Carry

Start carrying pocket Gospels with you everywhere you go. Dedicate a pocket to the Lord! It might be a jacket pocket, a purse, a briefcase, a glove box in your car. Start leaving Gospels around everywhere you go! If you are in a waiting area, leave one on the table, or chair. Leave one on a bus or Tube seat. We get thousands of stories from people who found the Word of God in some random location, they picked it up, read it, and it changed their lives. Decide that you will become a seed sower. Plant the Word of God everywhere you go. You don't even need to talk to anyone! The Word of God does it all on its own!

### 4. Share

As you get more comfortable, share a Gospel personally when God creates the opportunity. You might give one to the Pizza delivery person, send one in a greeting card, hand one to someone you meet who is hurting. Don't put pressure or guilt on yourself... let God guide you. When you share it, simply say something like: "I have a special gift for you to read". When you encourage someone to read something for themselves, and for them to make up their own minds if it applies to them, you will not face opposition or criticism.

### 5. Multiply

Multiply your efforts. Take some to church and discuss this with church leaders, and your Christian friends. Share Gospels at church functions; bake sales, group gatherings, Bible studies, etc. If other people at church get involved, the Gospel will spread in a powerful way. We will even print a custom Gospel with your church's information (service times, location, message from your pastor) on the outside and inside. We can print Gospels with a custom cover for as little as 100 copies. We can do this for a modest donation. Not only will your church grow, you will grow in your faith. Your friends will grow in their faith. God will be glorified by your labour.

### 6. Invest

Sponsor someone else's order of Gospels. Many people want to share the Word of God but do not have the resources to donate for them. We will send Gospels out to all who ask, regardless of ability to donate. You will be blessed if you invest in their sharing ministry. The Gospel will be shared in many places you will never visit. Invest financially in this Movement. It takes resources to see the Word of God shared all over the UK. Your stewardship can play an important part in seeing this happen. God blesses sacrificial giving. You can multiply your stewardship by asking your church to get involved financially. Sharing the Word of God is powerful. Read the Parable of the Sower (Luke 8). Sharing the Word of God is close to God's heart. We are thankful for whatever God prompts you to invest.
